PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience in front-end development using HTML, CSS, JavaScript, and React, and practical experience building backend features for web applications. Skilled in REST API development and integration, authentication workflows, and managing client-server data flow. Comfortable contributing across the full development lifecycle in team-based projects.

EXPERIENCE

Ahmad Web Solutions

Frontend Developer Intern, Delhi

June 2024 – Nov 2024

- Developed **responsive, mobile-first user interfaces** using **HTML, CSS, and JavaScript** for multiple client-facing web applications.
- Built and maintained **reusable UI components** for **GaadiPlan.com**, improving layout consistency and code maintainability.
- Implemented **interactive UI sections and animations** for **Moxie Exhibitions** to enhance user engagement.
- Collaborated with designers and senior developers to convert **Figma/UI designs into clean, production-ready frontend code**.
- Ensured **cross-browser compatibility** and optimized frontend performance across different devices and screen sizes.

PROJECTS

ElderlyCare – Medical Data & Emergency Assistance Web App

GitHub

React.js, JavaScript, Node.js, Express.js, MongoDB

- Designed and developed a **responsive MERN-based healthcare web application** for emergency assistance and medical data access.
- Built **React-based frontend interfaces** and integrated **REST APIs** for OTP-based authentication and geolocation-enabled emergency SMS alerts.
- Developed backend APIs using **Node.js, Express, and MongoDB**, implementing **JWT-based authentication**, secure data handling, and integrating a **Hugging Face AI API** for personalized diet and exercise recommendations.

Personal Portfolio Website

GitHub

React.js, JavaScript, Node.js, Express.js, MongoDB

- Designed and developed a **fully responsive portfolio website** using React to showcase projects and technical skills.
- Implemented reusable components, smooth navigation, and ensured cross-browser compatibility.
- Integrated a backend contact form and deployed the complete application for public access.

SKILLS

Frontend: HTML, CSS, Tailwind, JavaScript, React, Redux

Backend & APIs: Node.js, REST APIs, MongoDB, SQL

Cloud & Deployment: AWS (EC2, S3 – Basic)

Tools & Platforms: Git, GitHub, VS Code, Vercel, Render

Soft Skills: Problem Solving, Adaptability, Communication, Team Collaboration

EDUCATION

Bachelor of Technology in Computer Science

2021 – 2025

Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh
